Re: Duane Marine Corporation Site

Dear John:

Enclosed is a photocopy of my file copy of the recent Action Memorandum on the Duane Marine site. It is only barely legible, and it's the best we could get. Still, I think you may be able to read enough to make it useful.

If it merely whets your appetite for more of the descriptive information, then I guess your best recourse is to get hold of the copy that was sent to Marwan Sadat at the NJDEP.

I hope this helps you. Call if you think I can help in any other way.

Sincerely yours,

Margaret Thompson
